SUMMARY

SEO and E-commerce specialist with 3.5+ years of experience working on Shopify, WordPress, and custom websites. Experienced in technical SEO, on-page SEO, off-page SEO, content optimization, and website performance. Hands-on with GA4, Google Tag Manager, Google Search Console, and Meta Pixel. Experienced in link building and managing SEO for e-commerce websites.

WORK EXPERIENCE

Web Manager — OPEA, Gojra

Oct 2023 – Jul 2026

- **On-Page SEO:** Conducted keyword research and optimized website content and metadata to boost organic rankings and relevance.
- **Technical SEO:** Ran technical audits covering crawlability, indexing, XML sitemaps, robots.txt, canonicals, redirects, duplicate content, keyword cannibalization, thin content, mobile usability, and Core Web Vitals.
- **Off-Page SEO:** Grew the site's Ahrefs Domain Rating to 14 through consistent link-building campaigns, directory submissions, and digital PR.
- **Analytics & Tracking:** Manually implemented Google Tag Manager, GA4 events, and Meta Pixel tracking/conversion events directly in the source code; used Microsoft Clarity heatmaps for UX-informed SEO decisions.
- **E-Commerce SEO:** Configured Google Merchant Center for product feeds and Google Shopping visibility; collaborated with the development team on the Laravel-based platform to verify SEO-impacting bug fixes.

SEO Executive — BriskBase Software House, Gojra

Oct 2022 – Sep 2023

- **Content SEO:** Planned, wrote, and optimized SEO-driven blog content across multiple client sites, focused on topical relevance, readability, and search intent.
- **On-Page & Audits:** Conducted keyword research, on-page optimization, internal linking, and content-quality/duplicate-content reviews.
- **Growth:** Progressed from SEO Intern to independently managing SEO and content for client websites within the year.
